Carollo Engineers
Ak-Chin Indian Community Water Reclamation Facility | Maricopa, Arizona, United States

2010 Be Inspired Award Winner - Innovation in Water and Wastewater Treatment Plants

This capital improvements program consists of a new water reclamation facility and drinking water treatment facility, and miles of water, wastewater, and reclaimed water pipelines. Carollo Engineers used MicroStation, ProjectWise, STAAD.Pro, Bentley Structural, Bentley Architecture, PlantSpace, TriForma, and InRoads to accelerate both the design schedule and the necessary time for community design reviews.
